OBJECTIVE

Pursuing a BCA degree at Universal College. I am seeking a position where I can apply my advanced skills in Laravel, PHP, JavaScript, Java, and C# while continuing to develop and expand my knowledge in Full-Stack development, database management, and modern web development principles.

EDUCATION

Bachelor of Computer Applications (BCA) | Universal College, Maitidevi, Kathmandu

Expected Graduation: 2026

SKILLS

Hard Skills:

- **Programming Languages:** PHP, JavaScript, Java, Python, C, C#
- **Frameworks:** Laravel
- **Web Development:** HTML, CSS, JavaScript, Bootstrap
- **Database Management:** MySQL
- **Version Control:** Git/GitHub (source control, code review, and repository management)
- **Front-End Development:** Ability in modern JavaScript principles, responsive design, and interactive design best practices
- **Full-Stack Development:** Experience with Apache, MySQL, and PHP for building dynamic web applications.

Soft Skills:

- Teamwork and Collaboration
- Effective Communication
- Time Management and Organization
- Problem-Solving and Critical Thinking

PROJECTS

1. **Social Investment Platform** (*Hackathon Project*)

Technologies Used: Laravel, Tailwind CSS, JavaScript

- Developed a dynamic investment web application allowing project managers, and investors to manage projects.
- Implemented CRUD operations with unique features focused on security.

2. **Joke Sharing Platform**

Technologies Used: Laravel, HTML, CSS, and JavaScript

- Developed a dynamic platform allowing users to post, edit, and delete jokes.
- Implemented user authentication, post CRUD operations, and responsive design for mobile devices.

3. **E-commerce System**

Technologies Used: PHP, HTML, CSS, JavaScript

- Developed a dynamic e-commerce platform enabling buyers to browse products, add items to their cart, and place orders.
- Implemented a seller interface allowing users to upload products with detailed descriptions and images.

ADDITIONAL STRENGTHS

- Ability to rapidly grasp new technologies, frameworks, and methodologies.
- Up-to-date knowledge of the latest technical standards and best practices in interactive design and development.
- Strong analytical and problem-solving capabilities, with a passion for continuous learning.
- Effective communicator and team player, with a proven ability to work independently while escalating issues when proper.
